Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

The War Of The Worlds (Solo Project)

War of the Worlds by Herbert George Wells (H.G. Wells) was published in 1898 at a time when he wrote a series of novels related to a number of historical events of the time. The most important of these was the unification and militarization of Germany. The story, written in a semi-documentary style, is told in the first person by an unnamed observer. It tells of the events which happen mostly in London and the county of Surrey, England, when a number of vessels manned by aliens are fired from Mars and land on Earth. (Summary by Rebecca)
